| | | | | | | | Licence continues to bear conditions at Annex 2 which are unenforceable and were offered in the application for transition in 2005.

It is therefore proposed that under public safety conditions 1 and 2 be deleted.

Under Protection of children from harm the following wording should be deleted:

"Restrictions set out in the Licensing Act 2003 will apply. No unusual or additional risks of harm to children have been identified."

The overall operation of the premises will not change, the application is simply to facilitate the provision of breakfast. | | |
