

Audit & Procurement Service

Mae'r dogfen hon ar gael yn Gymraeg hefyd.

Audit & Procurement

Sioned Parry
Head of Audit and Procurement

What they do:

Internal Audit Services - Assists the Authority to accomplish its objectives by evaluating and improving the effectiveness of risk management, control and governance processes.

Corporate Procurement and Contracts - Provides a procurement and contracting service through project management and procurement/tender activities to obtain value for money for goods, works and services.

Information Governance Unit – Assists all Council services in achieving and maintaining a position of compliance with data protection, FOI legislation and environmental information regulations by providing advice and guidance, and acting as first point of contact for requests not received by services.

Corporate Complaints Unit – Provides thorough procedures for investigating and monitoring complaints about any service and using the information gained to improve our services.

Services include:

Internal Audit Services
Corporate Procurement & Contracts
Information Governance
Corporate Complaints
