#### 12. Declaration

The person receiving the service should sign this form if possible. If you cannot sign this form because you have a physical or mental illness, you should get your financial representative to sign it (see section on Guidance on Completion).

I confirm that as far as I know, I have understood the following.

- I understand if I go into a residential home or nursing home, you may place a legal charge against my property 12 weeks after my stay becomes permanent. Conwy County Borough Council will cancel this if I leave the residential home or nursing home within 52 weeks (this does not apply if your husband, wife, civil partner, or certain other relatives continues to live in the property.)
- I acknowledge that you have given me the chance to get independant legal advice before I sign this agreement.
- You may use any information I have provided in connection with this and any other claim for state benefits that I have made or may make. You may give some information to other organisations, such as government departments, local authorities and private companies such as banks and organisations that may lend me money if the law allows this.

I understand that I should not dispose of any property or assets or financial resources for the purpose of reducing my ability to pay for the social care service I receive. If I do so, they may be treated as assets I still own.

I confirm that, as far as I am aware the information stated on this Financial Assessment application form is correct and complete.
